# 20.17%

## OFF NEXT ORDER

VALID UNTIL OCTOBER 1, 2017

## PROMO CODE FALL.2017

★★ Valid for all product SKUs beginning with AR ★★

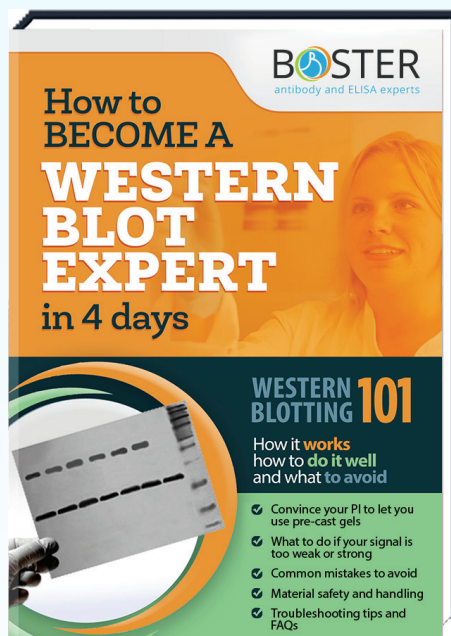

For more Promotions, please visit: [www.bosterbio.com/promotions](http://www.bosterbio.com/promotions)

Free download at [bosterbio.com/wb\\_ebook](http://bosterbio.com/wb_ebook)

## What is in the ebook?

This manual will teach you the basics to become a Western Blot expert, including comprehensive principle overview, insightful troubleshooting tips and more.

- ✔ Western Blot Principle
- ✔ Optimized Protocol
- ✔ 100+ Troubleshooting Advices
- ✔ Frequently Asked Questions

# TOTAL PROTEIN ANALYSIS REAGENTS

## Protein Quantitation & Extraction

Boster provides a range of high-quality protein analysis kits, so you can get more accurate protein concentration data and better blots.

## BCA Protein Assay Kits

- ✓ Ready-to-use, detergent-compatible
- ✓ Ultra sensitive colorimetric detection with broad dynamic range
- ✓ 4x faster and much easier than the classical Lowry method
- ✓ Higher tolerances toward common interfering substances
- ✓ Sensitive to copper-reductant composite & chelator

Save time and money! Use discount code **FALL2017** before **Oct 1 2017**.

### BCA Protein Assay Kit AR0146

- ✓ Total time: about 30 min
- ✓ \$60 per kit, sufficient for: 50 tube assays or 500 microplate assays
- ✓ Assay Range: 20 - 2000 µg/ml

### Micro BCA Protein Assay Kit AR1110

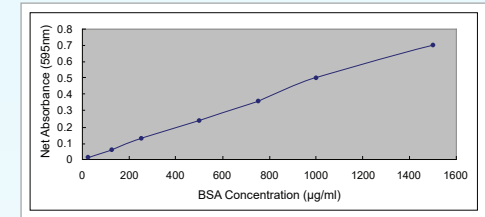

- ✓ Total time: about 60 min
- ✓ \$80 per kit, sufficient for: 100 tube assays or 300 microplate assays
- ✓ Assay Range: 0.5 - 20 µg/ml

To receive a quote, please email [support@bosterbio.com](mailto:support@bosterbio.com)

# TOTAL PROTEIN ANALYSIS REAGENTS

## Coomassie Plus Protein Assay Kit (SKU: AR0145)

- ✓ Fast! Samples can be read after 5 minutes (Bradford assay)
- ✓ Ready-to-use, reducing agent compatible
- ✓ For non-detergent extracted protein samples from cell lysates

- ✓ \$20 per kit, sufficient for: 50 tube assays or 500 microplate assays
- ✓ Assay Sensitivity: 25 - 1,500 µg/ml

# SAMPLE PREPARATION REAGENTS

Save time with our all-in-one kits and **ready-to-use** reagents! Overnight shipping available, use our "Easy Order" process to re-order quickly!

| Product Name  | SKU      | Size                  | Price |
|---|----------|-----------------------|-------|
| Mammal Tissue Protein Extraction Reagent                      | AR0101   | 100 ml                | \$100 |
| Mitochondria Isolation Kit                                    | AR0156   | 1 kit (50-100 assays) | \$55  |
| Membrane Protein Extraction Kit                               | AR0155   | 1 kit (50-100 assays) | \$100 |
| Cytoplasmic and Nuclear Extraction Kit                        | AR0106   | 1 kit (50-100 assays) | \$50  |
| Bacterial Cell Protein Extraction Reagent                     | AR0157   | 50 ml                 | \$90  |
| Mammal Cell Protein Extraction Reagent                        | AR0103   | 100 ml                | \$70  |
| Broad Spectrum Protease Inhibitor Cocktail (EDTA free) (100x) | AR1182-1 | 1 ml                  | \$50  |
| Broad Spectrum Protease Inhibitor Cocktail (100x)             | AR1182   | 1 ml                  | \$50  |
| Broad Spectrum Phosphatase Inhibitor Cocktail                 | AR1183   | 1 ml                  | \$30  |
| Phosphatase Inhibitor Cocktail II                             | AR1120   | 80 mg                 | \$20  |
| Phosphatase Inhibitor Cocktail III                            | AR1121   | 80 mg                 | \$15  |
| Proteinase K  | AR0056   | 5 ml                  | \$50  |
| RIPA Lysis Buffer   | AR0105   | 50 ml                 | \$25  |
